Introduction to the Persian Naati Test

The Persian Naati Test is a specialized examination designed to evaluate an individual's proficiency in reciting, understanding, and conveying Islamic religious texts in the Persian language. Rooted deeply in the traditions of Shia and Sunni communities in Iran, Afghanistan, Tajikistan, and among Persian-speaking diaspora populations, the test underscores the importance of preserving accurate religious recitation and linguistic integrity.

Naati, derived from the Arabic term "Na'at," refers to the poetic eulogy of Prophet Muhammad and other revered figures, often performed during religious gatherings. The Persian Naati Test assesses not only the correctness of pronunciation and intonation but also the depth of understanding of the spiritual and historical significance of the recited content.

Historical Background and Cultural Significance

Origins of Naati in Persian Culture
